

Indulge in the sumptuous comfort of our wool cushion collection, meticulously designed to marry luxurious texture with ethical materials, offering both style and sustainability to your living space.

Infuse your home with a splash of colour and eco-elegance with our hand-crafted wool cushions. Made from high quality contract-grade wool from Abraham Moon and hand-sewn in Cornwall. Each cushion is a comforting and timeless addition to your home. Available in our three classic hues, thoughtfully selected to suit the Arbor Armchair, our cushions not only look good but also feel better, inviting you to pause, and take a moment for yourself.

Unwind into sustainable serenity.
