[RESPONSIBLE]

Supporting skills honed over *hundreds* of years.

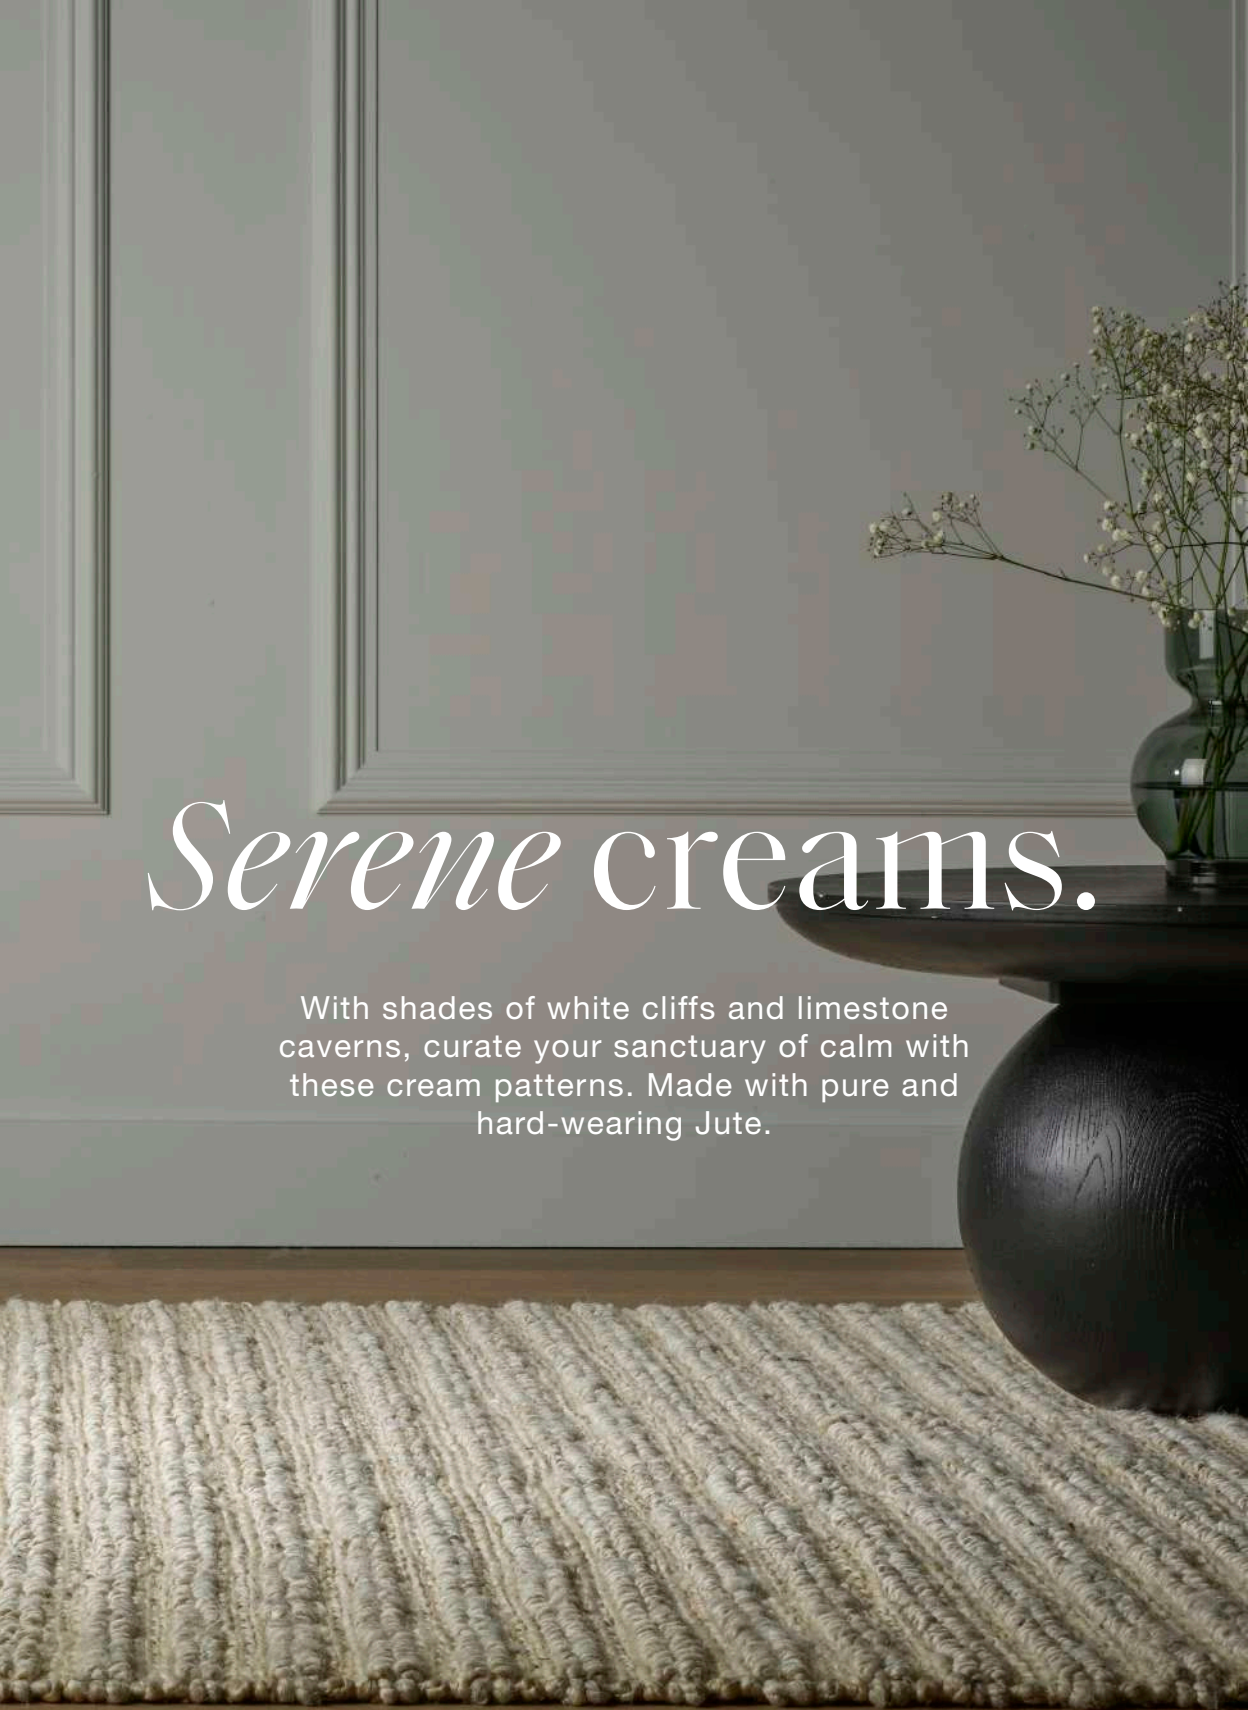

Passionate about responsible manufacturing, we have partnered with GoodWeave.

The GoodWeave label on a rug is the best assurance the rug is produced without child, forced or bonded labour, and it also means your purchase supports programs that educate children and improve working conditions for adults in producer communities.

Look for the GoodWeave logo for applicable rugs.

Serene creams.

With shades of white cliffs and limestone caverns, curate your sanctuary of calm with these cream patterns. Made with pure and hard-wearing Jute.
