

## LOD GREEN LIQUID DESCALER

### DESCALES AND SANITISES

A high performance liquid descaler that descales and sanitises using a synergistic blend of 3 organic acids.

### CERTIFIED FOR ORGANIC USE

LOD Green is registered by Australian Certified Organic (ACO) as an allowed input in organic systems and is certified by the Organic Materials Review Institute (OMRI). LOD Green is free from phosphate and Genetically Modified Organisms.

### SAFE FOR YOU AND YOUR MACHINE

Safe for all machine parts, LOD Green is listed with NSF. The ingredients and formulations of the products that are NSF certified are safe and leave no harmful residues. Safe to use on stainless steel. Do not use on aluminium, brass or nickel.

### RAPIDLY BIODEGRADABLE

All ingredients are all rapidly biodegradable meeting international standards.

Cafetto® is proud to be certified by independent globally-recognised industry bodies

### PRODUCT CERTIFICATIONS

### CAN BE USED ON A WIDE RANGE OF EQUIPMENT

Designed for espresso machine water tank, boilers and coffee brewers, LOD Green can also be used in kettles, urns, bain maries and all ice machines.

## HOW TO USE

**ESPRESSO BOILERS**

Squeeze for measured dose

**WATER TANK**

100mL

100mL LOD Green/  
500mL H<sub>2</sub>O

30 mins

Leave for  
30 minutes

H<sub>2</sub>O

H<sub>2</sub>O x2  
Rinse

**ICE MACHINES**

Squeeze for measured dose

**WATER SYSTEM**

50mL

50mL LOD Green/  
1L H<sub>2</sub>O

Refer to manufacturer's  
instructions

10 mins

Pump through  
10 minutes

Rinse with  
H<sub>2</sub>O

### ESPRESSO MACHINE BOILERS

- Slightly loosen cap over measuring chamber and ensure other cap is tight.
- Gently squeeze the bottle until reservoir measures 100mL, remove cap and pour from reservoir into jug.
- Add 500mL cold water to prepare descaling solution.
- Follow the machine manufacturer's instructions to decalcify, delime or descale the machine.
- Always rinse the machine at least twice with fresh water after decalcifying and before re-filling and reusing the machine.

### ICE MACHINES

- Add 50mL of LOD Green to 1 litre (4 cups) of water.
- Pump through the water distribution system for 10 minutes or as per machine manufacturer's recommendation.
- Rinse machine with potable water.
