

# PRODUCT INFORMATION

## RESTORE COFFEE EQUIPMENT POWDER DESCALER

### UNIQUE BLEND OF ORGANIC ACIDS

Contains a synergistic blend of organic acids that give outstanding scale removal.

### CERTIFIED FOR ORGANIC USE

Restore is registered by Australian Certified Organic (ACO) as an allowed input in organic systems and is certified by the Organic Materials Review Institute (OMRI). Restore is free from phosphate and Genetically Modified Organisms.

### SAFE FOR YOU AND YOUR MACHINE

Safe for all machine parts, Restore is listed with NSF. It has been tested, evaluated and passed the most stringent toxicology and corrosivity standards. The ingredients and formulation of the products that are NSF certified are safe, leave no harmful residues and do not cause corrosion within the coffee machine. Safe to use on aluminium, brass and stainless steel.

### RAPIDLY BIODEGRADABLE

All ingredients are all rapidly biodegradable meeting international standards.

## HOW TO USE

- Add contents of sachet to 1 litre of warm water, dissolve, and then pour into water tank.
- Remove filter holder and turn machine on.
- Place cup under brew spout and run out about 1 cup of the descaling solution. Run about a ¼ cup out through the steam arm. (For superautomatic machines run all the solution through the steam wand and set on hot water not the steam setting).
- Allow to stand for 15 minutes, and then repeat the process. Repeat the entire process until all the solution is used up.
- Rinse thoroughly by flushing one tank of clean fresh water through the system exiting through the brew head and the steam wand.
