

### ABOUT OUR 'SPOOKY JUICE' WHITE WINE BLEND

Spooky Juice is a white wine blend similar to what you may enjoy on a warm autumn evening in Southern France, and made from the inseparable union of Marsanne and Roussanne. Marsanne makes a structured, full-bodied wine with a waxy, mineral texture, and Roussanne provides an aromatic component. To consummate the marriage of these two grapes, they were picked, whole-cluster pressed, co-fermented and aged in 100% neutral French oak barrels for 300 days together. This wine is made using only native, natural yeast alive in the air and on the grapes. Nothing is added throughout the wine's élevage, resulting in a wine that is rich and complex with strong primary fruit flavors and acid, and remains unfiltered and unfiltered.

### WINEMAKER NOTES

The color is pale-yellow with golden shine. Notes of mixed citrus, melon and crushed stones.
