

## ABOUT OUR 'AARON'S REVENGE' DRY HOPPED WHITE WINE BLEND

Aaron's Revenge is a tribute to our longtime winemaker, Aaron, and his love for another beverage: beer. It's made from a mélange of different white wine grapes, including Chenin Blanc, Marsanne, Roussanne, Semillon, Viognier and pressed Pinot Noir. Each grape varietal was fermented separately in 100% neutral French oak barrels for 270 days before blended together. Once the wine was blended, it spent 14 days steeping in a combination of citra and sauvin hops. The hops are removed and the wine is immediately bottled to maintain freshness. This wine is made using only native, natural yeast alive in the air and on the grapes. Nothing is added throughout the wine's élevage except for fresh hops, resulting in a wine that is rich and complex with strong primary fruit flavors and acid, and remains unfiltered and unfiltered.

## WINEMAKER NOTES

The color is golden with droplets of chartreuse. Intense grapefruit and lemon juice, with an unmistakable herbal quality.

## TECHNICAL INFORMATION

## ABOUT NEIGHBORHOOD WINERY

**To introduce creative, playful natural wines.**

Neighborhood Winery specializes in interesting, zippy, fun cuvées—both daring and traditional—that push the boundaries of conventional wine flavor profiles. The brand focuses on natural winemaking practices, refraining from including any additives, chemicals, or applying conventional winemaking tools, and spotlights the fresh Central California-grown grapes. The grapes are intentionally harvested early in the season, producing youthful and lively wines with whimsical textures and a fresh essence. Neighborhood Winery's rainbow of varietals and crafted blends are truly alive, intended for each bottle to uniquely evolve.
