

PALI WINE CO | 2021 PINOT NOIR 'WILD SERIES'

ABOUT OUR 'WILD SERIES' PINOT NOIR

Our 'Wild Series' Pinot Noir is our most delicate expression of Pinot Noir made from grapes grown on our estate vineyard in the Sta. Rita Hills. The grapes were harvest at a lower ripeness to create balance at lower alcohol with bright acidity. The grapes were gently destemmed and crushed before they soaked, undisturbed in a cold environment to extract delicate color, flavor, aromatics and tannin. Once the fermentation began, the grapes were punched down by hand daily before the juice was pressed and aged for 180 days in 100% neutral French oak barrels.

This wine is made using only native, natural yeast alive in the air and on the grapes. Nothing is added throughout the wine's elevage, resulting in a wine that is rich and complex with strong primary fruit flavors and acid, and remains unfined and unfiltered.

WINEMAKER NOTES

The color is blood. Notes of rose hip, strawberry jam and basil.

ABOUT PALI WINE CO.

To craft world class, critically acclaimed, site-specific Pinot Noirs and Chardonnays.

Our original Pali brand produces premium Pinot Noir and Chardonnay sourced primarily from vineyards in the Sta. Rita Hills and neighboring wine-growing regions. The region's terroir, including its transverse ranges, limestone rich soils, and cool ocean fog, is ideal for growing Pali's poised Pinot Noir and Chardonnay wine grapes. Pali produces a wide-range of bottlings from entry-level to esoteric vineyard and clonal-specific, from still to sparkling, and from white to pink and red. While most of our grapes come from our Sta. Rita Hills estate 'Pali Vineyard,' Pali partners with a handful of other family-owned and world-renowned vineyards in the area among the likes of Fiddlestix, Rancho La Viña, and Bien Nacido Vineyards. Most recently, Pali has introduced its 'Wild Series,' natural wines made using only wild, naturally occurring yeasts that remain unfined and unfiltered.
