## 'Summit' Pinot Noir No 2020

**About Summit :** 'Summit' Pinot Noir is a distinctive blend of grapes from renowned vineyards in Santa Barbara County's Sta. Rita Hills. While our single-vineyard Pinot Noirs are pricier, Summit is carefully blended to capture the essence of the region and express the unique flavors associated with Sta. Rita Hills Pinot Noir.

The region's history of growing Pinot Noir dates back to the early 1970s when pioneering vintners recognized the area's ideal climate and soil. Today, Sta. Rita Hills produces some of the world's finest Pinot Noir grapes, prized for their balance and complex flavors.

Despite its global reputation, the region remains humble, with small, family-owned vineyards scattered across the hills. The cool climate and ocean breezes create perfect conditions for Pinot Noir to ripen slowly and develop nuanced flavors.

Summit Pinot Noir is a testament to our dedication to Sta. Rita Hills' terroir. The wine is simple yet refined, designed for easy enjoyment without any pomp or ceremony. However, it can impress even the most discerning wine connoisseurs.

**Tasting Notes :** Our Summit Pinot Noir has a deep, rich red color, reminiscent of dark cherries or ripe raspberries. This vibrant hue is a hallmark of the wine's complexity and depth, offering a visual indication of the bold flavors and aromas that are to come. On the nose, it boasts aromas of deep red fruit, with subtle hints of vanilla and oak. On the palate, it has a full-bodied texture with firm tannins and bright acidity. Flavors of dark cherry, blackberry, and plum are complemented by notes of forest floor, clove, and a touch of smokiness.
