Our 2021 Carignan from Camp 4 Vineyard in the Santa Ynez Valley pays tribute to the optimal growing conditions of this esteemed California wine region. This wine boasts an enchanting ruby red color with garnet hints, embodying the variety's characteristic rustic flavors. The nose is rich with ripe red fruit aromas, where prominent notes of raspberry and cherry subtly intermingle with spices, pepper, and a touch of leather. Upon tasting, this Carignan unveils its medium to full-bodied character, defined by its high acidity and significant tannins. The palate is a symphony of luscious fruit flavors, beautifully counterbalanced by an earthy minerality - a reflection of the vineyard's sandy-loam soils.

Camp 4 Vineyard, home to the Carignan grapes, carries a rich history. Originally planted by the late Fess Parker in 1999, the vineyard has been under the careful stewardship of the Santa Ynez Band of Chumash Indians since 2010, who have diligently upheld its reputation for producing high-quality wines.
