

FAN TABLE 90CM

Fan is a modern take on the classical Windsor design. A British archetype converted to a contemporary silhouette, creating an exclamation mark in any space with a semi-transparent structure that takes up minimal visual mass. Crafted in oak or birch wood and formed from a series of machined wooden spindles, Fan tables feature a tapering, conical base and come with a marble table top.

Year of Design	2012
Product Weight	35.80kg
Certification	BS EN 15372: 2016 Level 2
