

NEAP WIRELESS WALL LIGHT

Tom Raffield

Product Specification

Neap Wireless Wall Light

Born in the barrel of a waking wave, the Comber Lighting Range is shaped by the reverberating tides that lap the Cornish coastline. Inspired by the power and grace of the Atlantic Ocean, our newest collection ebbs, flows and rolls into your home, bringing with it the motion of seasonal Cornish swells.

Tracing from crest to trough, a single piece of sustainably sourced oak or walnut wood seamlessly intertwines to form an enigmatic wall light. Mirroring the moon's gravitational pull over the tide, the Neap Wall Light's wooden silhouette showcases continuity. The Wireless Neap provides a rechargeable and cordless option that's both elegant and functional. This dimmable lighting design sweeps a soft ambient glow to far corners and suits an array of spaces. Cleverly nestled into an oak bracket, the renter-friendly, cordless wall light is perfect for soothing bedrooms, hallways and living spaces, without the need for hard-wiring.

Step into the wave, invigorate your interiors.
