

MAJU PENDANT

Product Specification

Tom Raffield

The Atori Lighting Range embraces our love of Japandi aesthetics with its ethereal dowel designs, unique profiles, and mesmerising layers of light and shadow. Inspired by the Japanese expression 'Oubaitori,' each piece symbolises the unique journey of life, reminding us that the beauty of nature unfolds in its own time.

The Maju Pendant is a stunning tiered ceiling light, expertly handcrafted to create an unusual silhouette that serves as a true centrepiece. Delicate wooden dowels are precisely united within birch rings wrapped in sustainably sourced ash, then thoughtfully assembled to create a sculptural pendant. Its layered design not only captures attention but also casts enchanting shadows, making it the perfect focal point for dining areas or modern living spaces.

Nurture light. Enrich your home.
