Undulating loops of timber navigate over and around. Where pared back design meets our signature curves, the Skipper Lighting Range leads the charge.

The Noctis Skipper Pendant merges Scandinavian design principles with our signature aesthetic. Crafted from beautifully ebonised, sustainably sourced poplar, this achromatic pendant features a hand-shaped open structure that radiates light upward and outward, creating a captivating interplay of brightness and shadow. This truly timeless design suits any space, from bustling kitchens, to calming bedrooms, for decades to come.

Achieve impact with a lighter touch. Embrace simplicity. Make a statement in your space.
