FLASH TABLE RECTANGLE

In true glam-rock fashion, Flash is part of our continued quest to create an ultra-re„ective, theatrical surface which mirrors its surroundings. The tables in the family come in di"erent ÿnishes with a mirrored glass surface. Flash are moody singular statements that can be nested together as a three-tiered multi-level co"ee table. Flash Table Rectangle is the tallest table in the family.

Year of Design	2009
