

## MediaHub Pro Desktop TA-3365D/63D

Mount MediaHub Pro or  
MediaHub Pro Lite  
on a desk or nightstand.

Model shown is MediaHub Pro (TA-3365D) with Bluetooth.

### The Ultimate in Hotel Guest Room Connectivity

The MediaHub Pro employs the latest technology to provide guests with the most important, universally accepted mobile connections so they can make the most of their hotel stay.

#### USB Type-C® and HDMI

The addition of USB-C to the MediaHub range means guests can charge their mobile phones and tablets and simultaneously display 4K video in the guest room TV. HDMI is also provided for guest devices without USB-C.

#### USB-A

USB-A is provided for additional charging. A product variant is available to support USB-A passthrough if required, please enquire for further details.

#### Bluetooth Audio

MediaHub Pro features Bluetooth audio so guests can stream their favourite audio from their mobile devices straight to the in-room TV.

#### Desktop Housing

With the desktop housing, installing MediaHub Pro couldn't be easier. The housing can also be secured to the desktop for peace of mind.

#### Compatible with MediaHub Pro Lite

If you do not require Bluetooth then you can of course specify MediaHub Pro Lite.
