Soft shapes and sublime sitting comfort

Swell is a minimalistic furniture collection with a playful, light-hearted feel designed by the Swedish designer Jonas Wagell. The Scandinavian simplicity of the design is accentuated by a stringent design without unnecessary details. In spite of this, Swell oozes with character and personality and its soft, curved shapes make it both inviting and provide a fantastic sitting comfort.

The name Swell is a reference to rising bread with its full shape, consisting of a robust padded back and seat and two curvy armrests. The stitching on the back and the seat divides the sofa into sections and completes the feel.
