LECO300

● Product Information

The LECO300 On-Camera Bi Color LED Video Light provides optimal brightness, performance,and color-changing capability in a lightweight, durable frame. Fitted with 30W high-quality LED bead, the LECO300 provides high brightness and sharp clarity of pictures. Taking advantage of excellent ventilation system, this light fixture gives off little to no heat.

The LED camera light LECO300 can be implemented as a primary or supplementary light for many lighting configurations. Powered by 1 pcs of 7.4V lithium battery or external DC power supply, this fixture is the ultimate on the go indoor and outdoor photo and video light. The LECO300 also includes a shoemount for installation on most DV and DSLR cameras. Elegant design with alum alloy housing, pocket size, the ultra thin LED camera light is the best companion for photographers.

● Model Parameter List

Model	LECO300
Output Power	30W
Luminous Flux	3000LM
Color Temperature	3200K-5600K
Dimmer	10%~100%
Light Source	(Using high brightness high power SMD LED)
Life Time	50000h
Remote Control	99 channels 2.4G wireless remote control
Remote control distance	>30M
Lithium Battery Type	NP-F550、NP-F750、NP-F960
DC power input	DC13-17V
Color Reading Index	90+
Size（Excluding u-shaped bar）	250*95*22mm
