

Store cleaning tools  
and utensils more  
flexibly and safely

NEW

# The Hygienic Hi-Flex Wall Bracket System

# Cleaning Tool Storage Done Right

Whether you produce, process, serve or sell food, proper cleaning tool and utensil storage is critical to meeting hygiene and tool maintenance standards. That is what the Vikan Hi-Flex Wall Bracket System is all about.

## Unique features

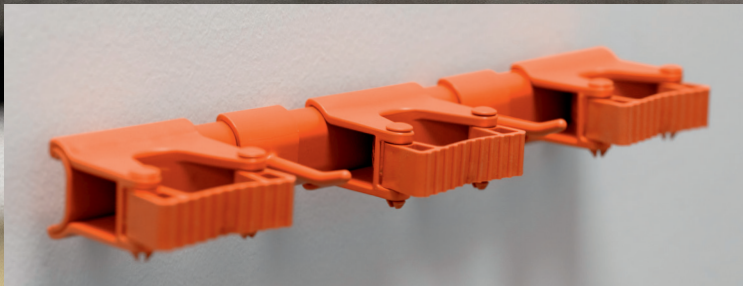

- Unmatched flexibility
- High durability
- Quick and easy installation
- Hygienic design
- Easy to disassemble for cleaning

## Significant benefits

- Locate tools more quickly and easily
- Extend tool service life by minimising damage
- Reduce the risk of cross-contamination (microbes, allergens etc.)
- Provide evidence to auditors of equipment care and control

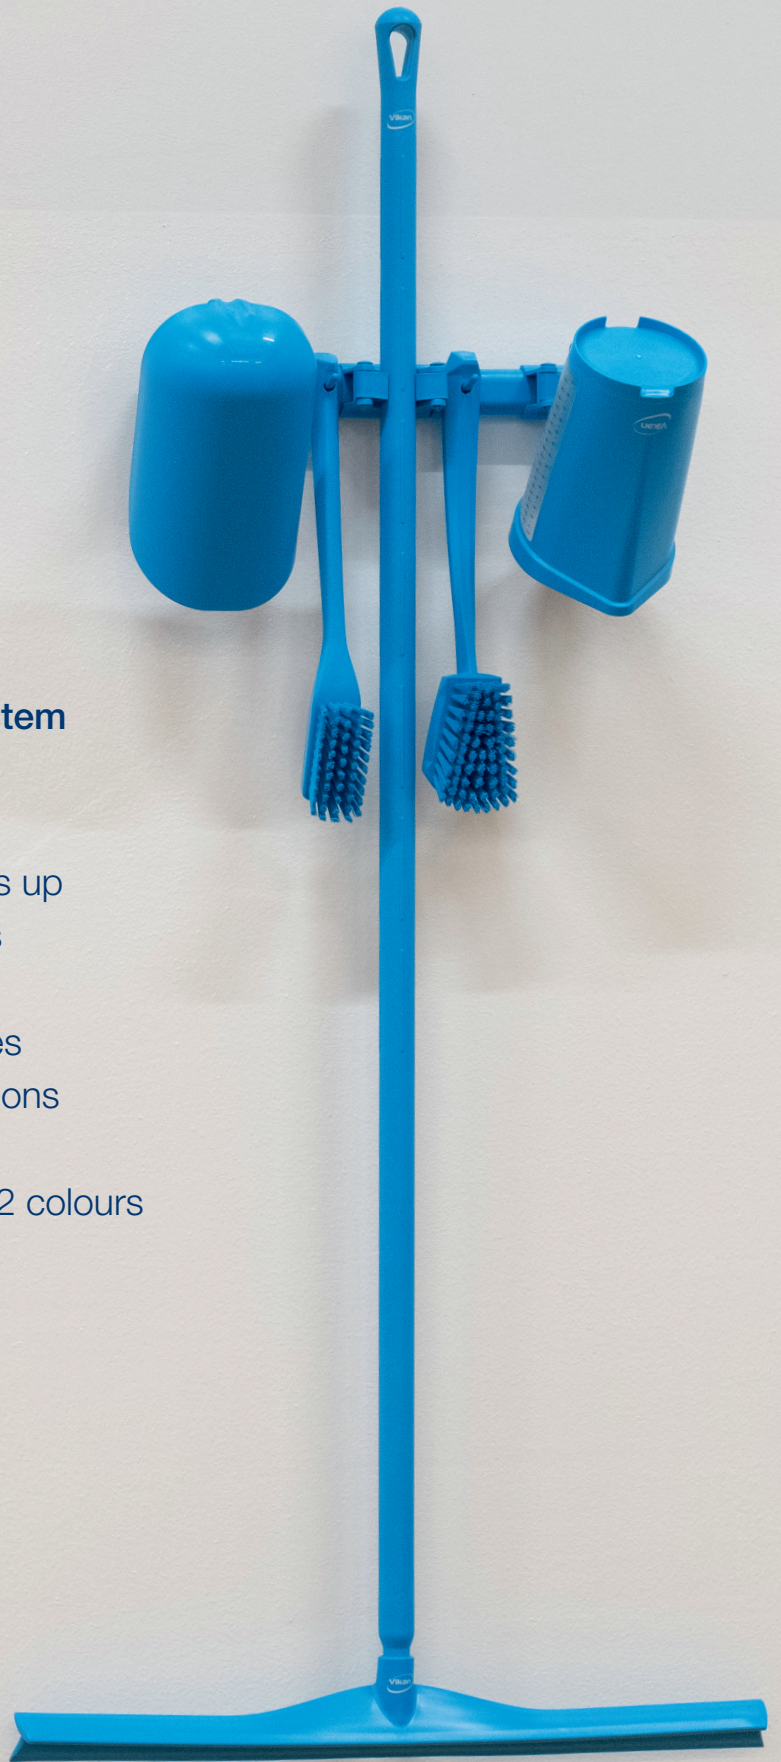

# The perfect Wall Bracket that holds every product
