

PiXAPRO®

Speedlite Flip Gel & Holder Set

Feed the Velcro Strap through the the flip-gel holder as shown in fig.1. Please do not mount Flip-Gel holder as shown in fig. 2 as it won't be attached securely and could come off.

Please ensure that you slide the gel in on the side of the Flip-Gel holder facing away from the speedlite. Sliding the gel in on the side facing towards the speedlite may put the gel at risk of melting.
