

DT 880 PRO

Limited Black

Dynamic Headphones

FEATURES

- Semi-open studio headphones
- Robust spring steel headband
- Single-sided cable
- Soft headband pad
- Gold plated mini stereo jack plug (3.5 mm) & 1/4" adapter (6.35 mm)

APPLICATIONS

The DT 880 PRO Limited Black combines the strengths of open, transparent headphones with those of the more powerful closed headphones.

A special housing and an improved system makes this remake of the DT 880 Studio Classic an ideal studio headphone with very good analytical properties.

The complete sound spectrum is fully reproduced, from the deepest bass, clearly placed and in no way obtrusive, to the most airy treble.

The robust spring steel construction gives the headphones a secure fit and the mechanical reliability needed for daily use.
