PRODUCT FACT SHEET

MAGS SOFA

DESIGN BY HAY, 2008

Designed with maximum comfort and minimum details, the Mags Sofa and Mags Low Armrest Sofa combine strong aesthetics with timelessness to create a HAY classic. Keeping superior comfort and quality in mind, both models are built using a solid construction with durable, high-density foam and interior padding for optimal longevity. The low frame and deep seats have a distinctly loungy feel, which is further reinforced in the Mags Low Armrest Sofa by the lower armrests that create a more open, welcoming space.

The wide range of functional modular units enable both series to be fully customised with chaise longue, corner modules or additional seats to suit any room or purpose, while the upholstery options enable each sofa to find its own personality.
