

Flow Coffee Table

“While its function changes, the spirit of Flow remains the same: a design that is both sturdy and sophisticated, perfect for a variety of settings. This table can be easily moved around the home, seamlessly transitioning from indoor to outdoor spaces. Its two shelves add to its versatility. We love this concept of adaptable use and a function that goes beyond a traditional coffee table.”

— Normal Studio

Designed by	Normal Studio
About the Designer	Normal Studio is a Paris-based design studio, founded in 2006 by Jean-Francois Dingjian and Eloi Chafa. In their work, the duo attempts to promote elementary design that goes beyond trends and fads to create objects that will have a longstanding lifespan through timeless expressions. Designs by Normal Studio are part of the permanent collection of Paris' Musée des Arts Décoratifs and featured in various contemporary art foundations throughout France.
Environment	Indoor And Outdoor
Country of Production	China
Preassembled	No - full assembly is needed.
Description	The Flow Coffee Table combines industrial elegance with practical design. Crafted from molded metal sheets, this table features a unique two-layer structure and perforations for a light, airy appearance. Equipped with durable rubber and steel wheels, it moves smoothly and quietly, and is suitable for both indoor and outdoor use.
Material	Trays and legs in powder-coated steel. Wheels in powder-coated steel and rubber. Powder-coated steel: Steel is an alloy of iron and carbon. Powder-coated steel has a subtle, textured expression and elegant feel while adding durability to the design and making it more resistant to corrosion.

Flow Coffee Table

Cleaning & Care

To maintain the table and wheels, simply wipe them down with a damp cloth for routine cleaning. If needed, use a mild detergent or dish-washing liquid, diluted. Ensure to dry the surface with a clean cloth afterward.

To maintain the wheels, water can be sprayed directly to remove dust, but drying with a cloth afterward is recommended.

Powder coated surfaces can get scratches and chip if hit by hard objects. To prevent scratches, please wipe away any sand grains from the table before use. Handle hard objects like tableware and porcelain carefully around the design to avoid chips and scratches. For minor scratches on the paint, we suggest visiting your local hardware store to get advice on the best outdoor paint product to cover them.

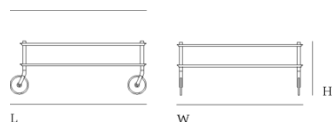

When placing the table outdoors, be cautious of prolonged exposure to intense sunlight, as it may alter the color and cause fading over time. Store the table in a clean, dry area between seasons to preserve its condition.

In windy conditions, secure the table with the wheel stopper to prevent movement or instability.

Flow Coffee Table

Dimensions

Length: 95 cm / 37.4"
Height: 40,06 cm / 15.8"
Width: 95,5 cm / 37.6"

Ready-to-Ship
