BRASILIA LOUNGE TABLE
 Designed by *Anderssen & Voll*

Crafted elements of the Brasilia Lounge Table make for an enduring design. A striking statement to match the series' sofa and lounge chairs or to add Scandinavian-mid-century-meets-Brazilian-modernism aesthetics to a space, its fused, tempered opti-white glass tabletop creates a light expression against the stout base, available in three wood types. Rounded corners ensure a streamlined look and meld perfectly with the subtly curved base.
