

TTP051L

Grip Latex™ glove

The Grip Latex™ is the all round cut resistant hand protection solution. The seamless cut A6 (ANSI 105: 2011) liner on the inside delivers the mechanical protection, whilst the outer gauntlet provides full liquid protection for use in all weathers. The latex crinkle coating delivers outstanding grip in wet and dry conditions making it ideal for construction, masonry and the renewables industry. Maximum levels of puncture resistance, abrasion and cut resistance make the Grip Latex™ also suitable for waste recycling, waste management, police and local authorities

Product Specifications

Product Name	GripLatex™
Product Code	051L
Sizes	8/M – 11/2XL
Glove Base	Tilsatec – RhinoYarn®
Construction	Fully Dipped
Glove Coating	Latex
Cuff/Wrist	Gauntlet
Origin	Malaysia

Packaging

Case Quantity	72 pairs per case
Internal Packaging	12 pairs per poly bag

Performance

ANSI 105: 2011

CUT

EN388: 2003

4544

EN407: 2004

X2XXXX

PUNCTURE:

5

Available Sizes & Cuff Colors

Size	8 M	9 L	10 XL	11 2X
Cuff				

Made with Tilsatec Rhino Yarn technology. Produced in the UK and developed by Tilsatec's specialist team of yarn technologists to deliver the optimum in performance and comfort.
