5 STAR BARBER DRYER

2200W Hairdryer

DESIGNED FOR

Any busy Barbershop.

- **Rapid Drying Speed** - Concentrated air flow enhances your drying speed with a tourmaline grille enabling faster drying.
- **Smooth Results** - Ionic function reduces static, frizz and speeds up your drying time.
- **Versatile Styling** - 3 heat and 2 speed settings for versatile styling options with a cool shot button for locking in the style.
- **Retro-Chrome Design** - A stylish design finished in retro-chrome that feels as good in the hand as it looks on your station.

Part No.: 5054-017
