

# 53-7112

**Medium weight** cut level **A6** PU palm coated glove with extended cuff and thumb reinforcement

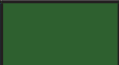

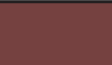

The 53-7112 glove from Tilsatec delivers level A6 cut resistance to ANSI/ISEA 105, and is an extension of the 53-7111 glove. Utilising lighter, finer steel for high comfort and softness, the robust PU palm coating delivers good grip in dry and light oil conditions whilst the extended cuff provides additional protection to the wrist area.
