

BLAZE™

OUTDOOR KITCHEN + GRILLS

Our Story

We set out to create a line of grills and outdoor kitchen products that wouldn't break down.

That was the beginning for Blaze. We studied and inspected what was currently on the market, identified the weaknesses and then started from scratch. What emerged was a collection of products that were easy to use and engineered to last, backed by a best-in-class, lifetime warranty*—because we mean it.

**Learn more about our industry-leading warranty at blazegrills.com/warranty*

Effortless by Design

The Blaze product line isn't complicated (like other brands).

We design products that allow everyone to experience their high quality. But simple to use and maintain doesn't mean unsophisticated.

Our style combines sleek and modern elements so that each Blaze product is constructed to meet our standards of excellence *and* efficiency.

Engineered for Life

To this day, we build outdoor living products better.

Well after other brands have been left on the curb, Blaze grills and outdoor kitchen equipment will continue to serve as centerpieces for our customers' spaces. That's what makes us Blaze. Visit blazegrills.com to find a local or online retailer.

Better designs.

Purposefully simple

Better materials.

Stronger and superior

Better functionality.

Best-in-class, lifetime warranties

PROFESSIONAL LUX™ GRILL

Blaze 3-Burner / 4-Burner Professional LUX

From the style and strength of 304-grade stainless steel construction to the efficient performance, every last inch of the Blaze Professional LUX Grill was designed for an unmatched experience.

All told, it is an eye-catching outdoor centerpiece that will impress guests with luxury aesthetics, performance, and longevity.

BLZ-4PRO- LP/NG
BLZ-4PRO-CART-LTSC
BLZ-3PRO- LP/NG
BLZ-3PRO-CART-LTSC

Heavy-duty, 304-grade stainless steel construction is backed by a best-in-class, lifetime warranty.

18,000 BTUs per burner for ultimate cooking power.

Push-and-turn flame-thrower ignition with backup flashtube and crossover channels for each burner ensures a reliable flame with every start.

Double-lined, 304 stainless-steel grill hood protects the outer layer from heat discoloration and retains steady, high heat.

10,000-BTU infrared burner with an included rotisserie kit for slow-roasted dishes.

The 12 mm-thick, heavy-duty hexagonal cooking rods soak up heat to produce exceptional sear marks.

Professional-quality, cast stainless steel H-burners deliver unrivaled cooking power and durability.

Removable heat zone separators divide the cooking surface into individual temperature zones, putting you in command of every square inch of space.

Enjoy your Blaze grill freestanding on a cart or built into your outdoor kitchen island.

PREMIUM LTE+ GRILL

Blaze 4-Burner / 5-Burner Premium LTE+

The Premium LTE+ Grill includes the same impressive features as the Premium LTE, but with new strategic engineering enhancements, including:

BLZ-4LTE3-LP/NG
BLZ-4-CART-SC
BLZ-5LTE3- LP/NG
BLZ-5-CART-SC

New automatic safety glow interior LED lighting keeps lights on during use for better visibility.

An innovative hood-assist mechanism makes opening and closing the grill effortless.

Laser-cut control knobs feature LED red backlighting for safety and a signature decorative accent.

MARINE GRADE SERIES

Blaze Premium LTE and LTE+ Marine Grade Grill

For those in coastal climates, Blaze offers Premium LTE and LTE+ models built from marine grade 316L stainless steel, an alloy with extra resistance to saltwater environments. They are the only marine grade grill in their class.

These 4-burner grills are also rated for multi-user applications such as multi-family dwellings, apartments, hotels, and, of course, seaside condos. Under this 1-year multi-family warranty, Blaze also extends its usual lifetime coverage to include labor charges.

BLZ-4LTE3MG-LP/NG
BLZ-4LTE2MG- LP/NG
BLZ-4-CART-SC

The Blaze Premium LTE and LTE+ marine grade grills offer the same features and performance as the standard models, with the only difference being the marine grade steel used in construction.

PREMIUM LTE GRILL

Blaze 4-Burner / 5-Burner Premium LTE

Even with a signature LED illuminated control system to complement the Premium LTE Grill's sleek and durable 304-grade stainless steel design, we prioritized an accessible price point.

The practical features combined with top-of-class performance make grilling for friends and family more enjoyable than ever.

Available as a freestanding grill on a cart or built into your outdoor kitchen island.

BLZ-4LTE2- LP/NG
BLZ-4-CART-SC
BLZ-5LTE2- LP/NG
BLZ-5-CART-SC

Patented* 9 mm triangular cooking rods maximize your searing capabilities.

14,000 BTUs per burner for intense cooking power.

10,000-BTU infrared rear burner that lets you put on a show with succulently slow-roasted dishes

Designed to minimize flare-ups, the perforated full-coverage flame-stabilizing grids also serve as excellent protection for the burners below.

Illuminated control knobs have red LED lights for sophisticated accent.

Professional-quality, cast stainless steel linear burners deliver impressive cooking power.

Push-and-turn flame-thrower primary ignition system delivers a fast start every time.

Removable heat zone separators divide the cooking surface into individual temperature zones, putting you in command of every square inch of space.

Double-lined, 304 stainless-steel grill hood protects outer layer from heat discoloration and retains steady, high heat.

Heavy-duty, 304-grade stainless steel construction is backed by a best-in-class, lifetime warranty and Blaze's top-notch customer support.

PRELUDE™ LBM GRILL

Blaze 3-Burner / 4-Burner Prelude LBM

This Blaze series provides affordable, commercial-style gas grills that any backyard cook can enjoy.

No matter the installation site, these grills are built to last and make grill masters out of everyone.

The Blaze Prelude LBM series is available in 3-burner and 4-burner configurations with an optional cart for freestanding use.

BLZ-3LBM- LP/NG

BLZ-3-CART-SC

BLZ-4LBM- LP/NG

BLZ-4-CART-SC

Commercial-quality, 304-grade stainless steel tube burners feature 14,000 BTUs of cooking power each.

Double-lined, 304 stainless-steel grill hood protects outer layer from heat discoloration and retains steady, high heat.

Full-width, roll-out drip tray and removable over heat baffles for easy cleanup.

Removable heat zone separators divide the cooking surface into individual temperature zones, putting you in command of every square inch of space.

Designed to minimize flare-ups, the perforated flame-stabilizing grids also serve as excellent protection for the burners below.

Durable, heavy-duty 8 mm round stainless steel cooking rods provide exceptional sear marks.

Push-and-turn flame-thrower primary ignition system delivers a fast start every time.

Enjoy your Blaze grill freestanding on a cart or built into your outdoor kitchen island.

CHARCOAL GRILL

Blaze Charcoal Grill

Why should our approach to building the best all-around grills be limited to one fuel type?

We purposefully engineered the Blaze Charcoal Grill with the same thought that goes into all our products, starting with heavy-duty, 304-grade stainless steel construction for rugged durability in the outdoors.

We followed that up with our best-in-class, lifetime warranty as well as a double-lined grill hood that wards off heat discoloration and efficiently traps heat. And once you get under that hood, you will find even more to love about our affordable, commercial-style charcoal grill.

BLZ-4-CHAR

BLZ-4-CART-SC

Hook-and-hang cooking grids make it possible to add charcoal and wood while cooking.

Adjustable tray can be lowered closer to the coals for high-heat grilling or raised to slow-cook.

Rear vent can be adjusted for precise airflow control, which in turn affects temperature.

Removable charcoal tray and full-width, pull-out ash pan lead to hassle-free cleaning.

Enjoy your Blaze grill freestanding on a cart or built into your outdoor kitchen island.

PREMIUM LTE GRIDDLE

30-Inch Premium LTE Griddle

By designing the 30-Inch Premium LTE Griddle, Blaze entered a new outdoor cooking category while maintaining the same results you'd expect from the leading grill brand.

Like our gas models, we chose heavy-duty, 304-grade stainless steel for maximum durability, along with the LTE Series' LED red control knob illumination.

The stainless steel burners are U-shaped to provide exceptionally even heat across the 495 square inches of cooking surface, which can be used for everything from stir fry and searing steaks to a full-scale breakfast.

BLZ-GRIDDLE-LTE- LP/NG
BLZ-GRIDDLE-CART-SC

Heavy-duty, commercial-grade stainless steel construction packs unrivaled longevity.

18,000 BTUs of cooking power in each U-shaped burner provide even heat across the griddle surface.

Reliable flame-thrower ignition makes lighting the griddle simple, while the backup flash-tube ignition with crossover channels ensures you can always ignite the griddle.

Full-width grease trough directs drippings into the drip tray for effortless cleanup.

Enjoy your Blaze griddle freestanding on a cart or built into your outdoor kitchen island.

KAMADO GRILL

Blaze 20-Inch Cast Aluminum Kamado Grill

The modern kamado-style grill is widely considered one of the most versatile grills on the market—and for good reason.

Kamados maintain consistent temperatures as low as 225°F and as high as 750°F and up. Their vent systems allow grillers to precisely control airflow, essentially turning the grill into a wood-fired oven.

Blaze took the lessons learned from centuries of kamado-style cooking, then introduced a modern twist by building this patented kamado* with solid cast aluminum measuring 1 inch thick.

Why cast aluminum? This design provides unparalleled durability—whether it's exposed to extreme saltwater or any other conditions that would wreak havoc on a ceramic kamado—plus the same outstanding temperature control and heat retention traditional kamados are so well known for.

With a lifetime warranty on the cast aluminum body and other key components, kamado purists can confidently break from tradition to experience a superior grill engineered for luxury cooking.

Also available as a built-in model, in addition to a freestanding unit.

BLZ-20-KAMADO
BLZ-20-KMDO-CART-SC

KAMADO STANDARD FEATURES:

Molded Exhaust Cap
Cast-molded exhaust cap allows for precise heat control.

1-inch Thick Cast Aluminum
This design adds unparalleled durability.

Lift Assist
Pre-installed lid hinge with lift assist allows for easy burping and opening of the kamado.

Cooking Grid
20-inch diameter stainless steel hex-shaped cooking surface provides exceptional heat retention and beautiful sear marks.

Hinged Cooking Surface
Hinged cooking surface allows for the convenient addition of wood or charcoal without removing the grates.

Tongue-and-Groove Seal
Instead of the traditional gasket design, which often needs replacement because of wear and tear over time, Blaze chose an exceptional tongue-and-groove seal to help the lid last longer and better lock in smoke.

KAMADO GRILL

Kamado Accessories

Blaze Kamado Cart

BLZ-20-KMDO-CART-SC

Stainless steel construction is durable in outdoor conditions.
Adds practical storage for your tools and accessories.
Side shelves provide a convenient work area while grilling.
Heavy duty casters allow you to reposition the grill as needed.

Blaze Easy-Light Indirect Cooking System with Moisture-Enhancing Pan

BLZ-KMDO-CBDRP

Heavy-duty, 304-grade stainless steel construction for lasting durability.
Charcoal basket lets you section off fuel for indirect heat, or for direct infrared cooking in tandem with the Blaze Kamado Rotisserie Kit.
The lower basket chamber doubles as a chimney starter for use with charcoal lighters and other ignition methods.
Stainless steel drip pan catches essential drippings for pan gravies and bastes, plus it can act as a water pan for added moisture when smoking.

Blaze 4-in-1 Stainless Steel Cooking Plate

BLZ-KMDO-15SSP

Solid, 304-grade stainless steel brings the longevity you need for years of enjoyable outdoor cooking.
Provides a layer of heat deflection for low-and-slow cooking.
Serves as a pizza stone to give you that perfect crust every time.
Functions as a cooking plate that helps add a hint of smoke to your favorite sauces, stews, soups, and gumbos.
Can be used as a griddle plate for great breakfast and full-crust searing.

Rotisserie Kit with Waterproof Motor

BLZ-KMDO-2-ROTIS

Waterproof rotisserie motor is designed to thrive in the outdoor elements.
Compatible with Blaze Easy-Light Indirect Cooking System and Moisture-Enhancing Pan.
Adds versatility to your outdoor cooking setup by allowing you to slow-roast food over the coals.

Stainless Steel Kamado Handles

BLZ-KMDO-SSHAND

Sturdy construction for a long lifespan in the outdoors.
Offer a solid grip when moving your kamado.
Feature insulated spacers that keep the handles from getting overly hot when the grill is in use.

Kamado Covers

20KMBICV
20KMCTCV
KMDOCTCVR

Greatly extends the lifespan of your grill, making it a better investment over time.
Vinyl cover is water-resistant to shield the grill from elements like dirt, dust, and rain.
Designed with a soft felt backing that will not scratch the exterior of the grill when covered.

PIZZA OVEN

Blaze 26-Inch Outdoor Pizza Oven

Pleasing to the eye and practical, the **Blaze Pizza Oven** produces all varieties of restaurant-quality pizza and with a rotisserie basket and cooking racks, you'll just as easily prepare a sumptuous rack of lamb as a delicious personal pie.

After all, this pizza oven is designed to be a functional outdoor oven, which means you can cook just about anything in it and do so in the beauty of the backyard. Available in freestanding, countertop, and built-in configurations.

BLZ-26-PZOVN-LP/NG
BLZ-26-PZOVN-CART
BLZ-26-PZOVN-TBL

A 17-inch rotating ceramic pizza stone provides an even bake and prevents the need to hand-twirl pizza.

The included vertical rotisserie rod with drip tray and dual cooking racks allows for many food options in addition to pizza.

Digital screen with connected meat probes offers the most accurate cooking temperatures.

Interior lighting and double-pane glass oven doors remove the need to regularly open oven to check food, preventing heat loss.

Reaches temperatures as high as 550°F while using the dual cooking racks with the stone surface capable of hitting over 700°F.

OUTDOOR ISLAND

Blaze Stainless Steel Outdoor Kitchen Island

The **Blaze Stainless Steel Kitchen Island** allows you to add an outdoor kitchen to your home without any of the hard work.

Designed to be set and ready in an hour, this island doesn't require surveying, pouring concrete, framing an island or cabinets, applying a stone or brick facing, or installing a countertop.

Best of all, it's made to fit a 32-inch built-in Blaze Premium LTE or LTE+—the bestselling grills in our history.

Its stainless steel construction and ample storage make for a clean, complete unit that is just easily disassembled as it is constructed, should you move or want to change locations.

BLZ-SS-ISLAND

Handcrafted in the USA.

Constructed with rust and corrosion resistant 304 stainless steel.

Complete with an under-the-grill cabinet and multiple soft close drawers for ample storage space, plus a pull-out trash bin.

Backed by a best-in-class, lifetime warranty.

The Blaze Stainless Steel Kitchen Island does not come included with a Premium LTE or LTE+. Each component is sold separately.

BURNERS

Side Burners and Power Burners

To complement your Blaze grill and complete your outdoor kitchen, we offer a selection of side burners and power burners.

Whatever your demands, Blaze burners deliver a reliable flame with every start thanks to the push-and-turn ignition system also found on our grills.

Each burner in the set features a stainless steel cover to block the outdoor elements, while the Professional, LTE, and LTE+ models sport signature red LED lighting along with full-width drip trays for speedy cleanup.

Our side burners and power burners are all built with 304-grade stainless steel and covered by the best-in-class, lifetime warranty upon which the Blaze brand was built.

Blaze Built-In High-Performance LTE+ Power Burner

BLZ-PBLTE3-LP/NG

25,000-BTU inner ring and 35,000-BTU outer ring combine for an impressive 60,000 BTUs of heating power.

Stainless steel guard surrounds the burner rings, protecting them from wind and concentrating heat for maximum efficiency.

Efficient design brings water to a boil in half the time compared to other power burners on the market.

Narrow width allows more room in your outdoor kitchen for another component or just additional counter space.

LED illuminated control system with safety glow lighting match Blaze Premium LTE+ grills.

Blaze Drop-In Single Burner

BLZ-SBI- LP/NG

A heavy-duty, 12,000-BTU brass burner provides superior heat output.

Blaze Built-In LTE+ Double Side Burner

BLZ-SB2-LTE3-LP/NG

Two heavy duty 12,000-BTU brass plated burners churn out powerful but controlled heat.

LED illuminated control system with safety glow lighting match Blaze Premium LTE+ grills.

Stainless steel construction is durable in any outdoor environment.

Removable stainless steel cover shields burner from outdoor elements when not in use.

Blaze Built-In High-Performance LTE Power Burner

BLZ-PBLTE-LP/NG

25,000-BTU inner ring and 35,000-BTU outer ring combine for an impressive 60,000 BTUs of heating power.

Stainless steel guard surrounds the burner rings, protecting them from wind and concentrating heat for maximum efficiency.

Blaze Professional Built-In High-Performance Power Burner

BLZ-PROPB- LP/NG

A staggering total of 60,000 BTUs between the 25,000-BTU inner ring and the 35,000-BTU outer ring.

Efficient design and narrow width save cook time and counter space.

Burner rings are circled by a stainless steel guard that blocks wind interference and channels maximum heat efficiency.

Blaze Built-In LTE Double Side Burner

BLZ-SB2LTE- LP/NG

Two heavy-duty, 12,000-BTU brass burners churn out powerful but controlled heat.

REFRIGERATORS

Refrigeration & Cooling

Blaze kitchen refrigeration and cooling components provide you space with convenient access to chilled beverages and more while offering your outdoor island a sleek, streamlined aesthetic.

Featuring ample storage space in varied configurations, each refrigerator offers powerful qualities like premium 304-grade stainless steel construction, crystal-clear white LED interior lighting, intuitive digital thermostats with temperature displays, and Blaze's top-notch 1-year limited warranty and sterling customer service.

Blaze 24" Outdoor Rated Glass Door Beverage Cooler

BLZ-GDBEV-5.5

Holds up to 84 cans and 22 wine bottles, or 42 cans and 62 wine bottles—easily satisfying the varied tastes of diverse crowds.

24-inch beverage center's glass front lets you check the chilled contents at a glance.

Choose bamboo shelving or glass shelves for personalized aesthetics.

Bamboo shelving option easily converts the beverage center into a wine fridge.

Blaze 20" Compact Refrigerator

BLZ-SSRF126

Built compact without sacrificing quality.

Purposeful space-saving design.

Blaze 24" Outdoor Rated Refrigerator

BLZ-SSRF-5.5

Spacious solution for stockpiling or supplying larger events.

Holds up to 152 cans for entertaining even the thirstiest party-goers.

Blaze Double Drawer 5.1 Outdoor Rated Refrigerator

BLZ-SSRF-DBDR5.1

5.1-cubic-foot interior for convenient storage.

Holds up to 154 cans at once.

Smooth, soft-close doors.

Drawers include adjustable divider.

Blaze 15" Outdoor Rated Refrigerator

BLZ-SSRF-15

Slim design is ideal for intimate spaces, creating a sleek look for any setting.

Holds up to 74 cans for generous crowd refreshment.

Blaze 50-Lb 15" Outdoor Rated Ice Maker with Gravity Drain

BLZ-ICEMKR-50GR

Produces up to 50 lb of cube-shaped ice per day.

Energy Star rating saves on operating costs.

Front-venting allows for installation straight into your kitchen island.

Internal "cool blue" LED light adds style.

DESIGN UPGRADES

Front bottle storage with drain holes for easy access and cleaning.

Removable, 3-part condiment tray.

Bottle opener and bottle-cap catcher.

Paper Towel Holder

BLZ-PTH-R-H

Dry Storage Cabinet

BLZ-DRY-STG2-SC

VENT HOODS

Vent Hoods

The Blaze Outdoor Vent Hoods ensure smoke never creates concern with a deep hood canopy and powerful motor system.

Designed to assist with dispersing accumulated gases and exhaust, these hoods feature industry-leading 36-inch, 42-inch, or 48-inch depth, offering more coverage of the cooking space to capture larger quantities of smoke and heat. That much size and power allow our hoods to be installed farther from the grill than other hoods, creating a cleaner and less cluttered cooking area.

Blaze 36", 42," and 48" Vent Hoods

BLZ-36-VHOOD
BLZ-42-VHOOD
BLZ-48-VHOOD

Large canopy depth maximizes the capture range of the vent hood.

Independent and individually controlled 1,000-CFM, 4-speed motors provide exceptional smoke removal.

Higher allowable installation height creates a more comfortable work area.

4 halogen lights illuminate your cooking surface any time of day or night.

Innovative grease-free controls with lighted facing.

Reversible motors and back-venting options keep you in constant control.

SAFETY FEATURES

Wind Guards

Wind guards protect your grill (and your cook) in high wind areas, such as coastal regions or balconies. This guard helps to ensure the burners stay lit and stable, greatly reducing the risk of flare-ups. Able to withstand 25 mph winds, our wind guards will help to create a more controlled cooking environment.

Island Vent

Designed with commercial grade 304 stainless steel, the 6 by 14-inch panels provide adequate airflow to your island. Good for both propane and natural gas, these panels cover ventilation openings for a clean aesthetic.

BLZ-ISLAND-VENT

FIREPITS

60-Inch Fire Pit Table in Phantom

Create a cozy space to commune with the Blaze Fire Pit Table, beautifully handcrafted in the USA.

Made from glass fiber reinforced concrete (GFRC), this unit offers a simplified silhouette and a weathered, rustic finish, fitted with a brass burner system.

It is uniquely designed with a convenient access door to conceal an included 11-pound propane tank, and its exclusive phantom finish complements any outdoor aesthetic.

BLZ-60-FTABLE-LP/NG

Constructed of ultra-durable glass-fiber reinforced concrete (GRFC) that is heat, weather, and rust resistant.

Heat output of 60,000 BTUs with propane or natural gas versions efficiently maintains temperatures.

Maximum burn time of 12 hours on low and a minimum of 4 hours on high.

CSA-certified to meet the highest industry standards and our own.

Comes with an 11-pound propane tank, a protective cover, and lava rock media.

Key value and match lit ignition for simple lighting.

Provides our tallest, brightest, and fullest flame.

Unit is safe for use on wooden decks.

Backed by a 5-year limited warranty on the fire table body and 2-year limited warranty on internal components.

Handcrafted by skilled artisans in the USA.

FIREPITS

38-Inch Fire Bowl in Phantom

The Blaze Fire Bowl is constructed in an elegant rustic finish that fits beautifully into all backyard settings.

Handcrafted in the USA by skilled artisans, this fire bowl features a premium brass burner and is available for use with either propane or natural gas.

Its phantom color complements any outdoor decor, and the battery-operated push-button ignition makes it simple to use in any situation.

BLZ-38-FBOWL-LP/NG

BLZ-FBOWL-TCOVER

Heat output of 120,000 BTUs propane or 85,000 BTUs with natural gas.

Handcrafted in the USA, constructed of glass-fiber reinforced concrete (GFRC), and fitted with an inner steel frame and brass burner system.

Maximum burn time of 7 hours on low and a minimum of 3.5 hours on high.

CSA-certified to meet the highest industry standards and our own.

Matching 20 lb propane tank cover that doubles as an end table, sold separately.

Includes fire bowl leveling feet and brass burner, lava rock media, vinyl storage cover, and lifting strap.

Battery-operated push-button ignition makes lighting simple.

Heat, weather, and rust resistant to ensure unit is protected against the elements.

Backed by a 5-year limited warranty on the fire table body and 2-year limited warranty on internal components.
