# Poem Table Lamp

Drawing inspiration from the opulent details found in Baroque art and architecture, the Poem Table Lamp has a romantic and elegant expression. Made through an intricate process where liquid tissue is sprayed over the lamp's casted aluminium base, the result is a translucent shade that artfully stretches over intricate steel arches, ensuring that the lamp emits a soft, diffused light while resembling a delicate flower. The non-woven polymer shade will beautifully patinate over time, giving it a unique appearance. Place the Poem on your bedside table or let it elegantly illuminate your desk.
