

# How cleaning your: Le Griddle

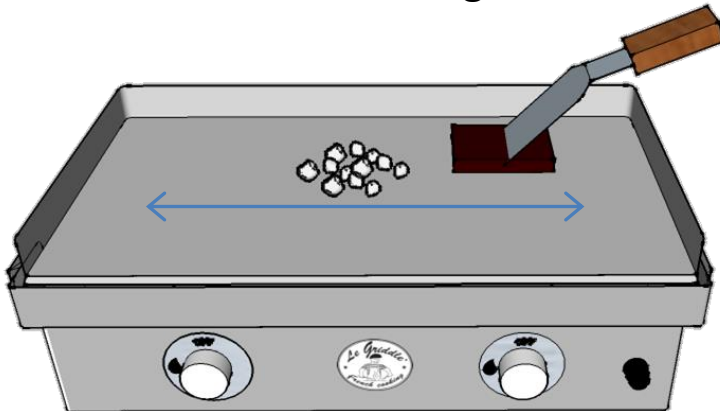

1- You need SPATULA, ICE CUBE, SCOUR PADS and one OVEN/BBQ GLOVE

2- After using your Le Griddle, when it is still hot, Protect your hand with the glove, put the ice cuve on the cooking surface and use scour pad with spatula as following drawing.

Do lateral movement to cleaning more easier

3- When the cooking surface is cold , you can use a scour pad with a safe cleaning product to finish it.
