

# The Date Game

THAT'S ACTUALLY FUN

How to play

## **HOW TO PLAY**

- 1** Find someone super cool to go on a date with. Tell them how nice they look.
- 2** Now set up the cards in different piles, face down, by category.
- 3** Start by rolling both dice at the same time. The dice will tell you who should answer the question (me, you, or both) and what category to pull a card from.
- 4** Answer the question from the corresponding category.
- 5** Have fun!
