UTZON STOOL
PRODUCT FACT SHEET

UTZON STOOL

The Utzon Stool is a captivating creative expression by acclaimed Danish architect Jørn Utzon. Meticulously crafted from oiled solid beech, beech veneer, and beautiful brass detailing, it exudes an extrovert playfulness in its fascinating appearance. While decorative in appearance, the stool is deceptively comfortable. It stands as a testament to Utzon's rare ability to distil complex organic shapes into functional forms.

PRODUCT TYPE

Stool

ENVIRONMENT

Indoor

DESIGNER / YEAR OF DESIGN

Jørn Utzon, 1950s

ABOUT THE DESIGNER

Jørn Utzon (1918-2008) is perhaps Denmark's most famous architect, known worldwide for the incredible Sydney Opera House. He was educated at the Danish Royal Academy of Fine Arts, concluding in 1942 and then developed his talent further at studios such as the Alvar Aalto studio in Helsinki. This inspiration helped Jørn Utzon to gradually optimise his talent for creating architectural, organic space while maintaining respect for people, nature and surroundings.

MATERIAL

Seat: The seat of the Utzon Stool is made of solid beech wood with a white pigmented oil treatment.

Base: The base is made of from-pressed beech veneer with a white pigmented oil treatment.

Brass (untreated) details connect the seat and the base.

Materials in %:

Beech 100%

Brass <1%

BZP Steel <1%

TPE<1%

Items with a weight <1% of the total product weight are not included in the figures.

VARIANTS

The stool is available in one configuration:

OILED SOLID WOOD/VENEER,
BEECH - WHITE PIGMENTED

PRODUCTION PROCESS

Seat: The dots are laminated from 2 solid pcs of beech wood.

Base: Each leg is made from 17 layers of 2 mm veneer beech wood. All layers are placed with same grain direction for equal looking.

Brass rings are added to prevent wood cracking. Similar method seen on Pole lathe tools.

MADE-TO-ORDER

Non-standard configurations (special colours, materials etc.) are available upon request at a minimum order quantity.

CERTIFICATION

- FSC™ FSC-C120451: The wood used for the Utzon Stool is FSC-certified (FSC MIX). The FSC certification ensures the wood is from responsible and environmentally managed forests that preserve the natural surroundings and support the local community.

For more information about environment and manufacturing processes, please download our environmental information sheet at: fritzhanzen.com

TEST

The Utzon stool complies with the requirements for:

- EN 16139 Strength, durability and safety – Requirements for non-domestic seating.
- EN 1022 Determination of stability – Domestic furniture – Seating.
