

# 81-6121-CK/CV

## Medium weight cool touch cut level **A7** sleeve with comfort cuff

The 81 sleeve range has a cool touch, and smooth feel next to the skin for heightened comfort. A light, soft comfort cuff around the thumb which wearers will barely feel prevents the sleeve from riding up the arm exposing the wrist to cuts.

Delivering level A7 cut resistance to ANSI/ISEA 105 it is designed for component handling, metal pressing, and handling sheet materials with sharp edges.

**81-6121/CK** - elasticated top to keep sleeve up

**81-6121/CV** - hook and loop adjustable strap

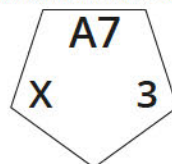

### Product Specifications

Sizes	One Size
Color	Light Grey
Cuff/Wrist	Comfort cuff with thumb slot
Length	21" / 53cm
Gauge	13 gg
Packaging	Packed per piece, 100 pieces per case

### Performance

ANSI/ISEA 105-2024

EN388: 2016

### Applications / Industries

- Assembly
- Automotive industry
- Metal fabrication / stamping
- Glass manufacturing
- Construction

Made with Tilsatec RhinoYarn® technology. Produced in the UK and developed by Tilsatec's specialist team of yarn technologists to deliver the optimum in performance and comfort.
