FAST PUSH FITTINGS

FAST. DONE. RIGHT.®

FITTINGS

NIBCO® Wrot Racer® patented copper push fittings simply slide into place for a fast, secure connection. You can be in and out in no time at all, and race ahead to your next plumbing project.

NIBCO top-flight delivery rates ensure you'll have product available when you need it, saving you valuable time.

Why Use Wrot Racer fittings?

- Simply push properly prepared tubing into the fitting until it stops for a secure connection
- Joins copper, PEX, PE-RT or CPVC-CTS tube
- No solder, crimping or joining material needed
- Pure copper body is naturally dezincification resistant and anti-microbial

Push fittings install quickly and easily for a secure connection.

Create a simple and secure connection without any soldering, crimping or joining materials.

Manufactured in the USA from 99.9% pure wrot copper.

FAST PUSH FITTINGS

FAST. DONE. RIGHT.®

FITTINGS

Whether it's repairing a plumbing system or completing a plumbing remodeling project, you can get the job done easier and faster with NIBCO® Wrot Racer® copper push fittings.

Consistent, cost-effective and delivered on time, backed by more than 115 years of experience, NIBCO Wrot Racer is fast to install and when it's done, it's done right!

Easy to Install

- No solder, crimping, joining material or special tools needed, just push properly prepared tubing into fitting until it stops
- Installs wet so you don't have to wait to dry out the system
- Interlocking design creates a secure connection
- Removal tool easily disconnects any joint
- Installs up to 95% faster than soldering

Repair & Remodeling Solutions

- Variety of fittings to join copper, PEX, PE-RT or CPVC-CTS tube
- Manufactured from proven, preferred materials for plumbing applications such as copper and PPSU engineered plastic
- Designed for safe, clean drinking water connections
- Ideal for water heater installations
- Creates secure, leak-proof connections

NIBCO Advantage

- Save time with NIBCO top-flight delivery rates
- Compact, lightweight design makes it easier to install in tight spaces
- Engineered, designed and manufactured in the USA
- Fittings backed by a 25-year warranty
