

**We're dedicated to keeping our planet beautiful.**

## Trees Planted for Every Desk & Table

We're helping replant our national forests!

A portion of every desk and table sale is donated to the National Forest Foundation (NFF) and used to plant trees in areas of greatest need.

● 2021 NFF REFORESTATION LOCATIONS

Your purchase helps invest in healthy forests for today and for future generations.

Support Wildlife Recovery

Restore Native Ecosystems

Improve Water Quality

Reduce Carbon Dioxide Levels

...and so much more!

## Our Sustainability Efforts

In an effort to be ethical and transparent with our customers about what we offer, here is a breakdown of the recycled content and recyclability of our products.

### Recycled Content in Products

- **PET:** Made with 50% post-consumer plastic
- **Surfaces (Desks and Tables):** Made with recycled content core
- **Steel:** Manufactured with 95% recycled steel
- **Certifications:** FSC Mix, FSC 100% Greenguard, Member BIFMA, Rainforest Alliance

### Recyclability of Products

- **Packaging:** 100% recyclable cardboard
- **Shipping Pallets:** 100% recyclable
- **PET:** 100% recyclable
- **Steel:** 98% recyclable post-consumer

The NFF Planted  
**5.6 Million**  
Trees in 2020

**18,000+**  
Acres  
Reforested

**25+**  
Tree Species
