# Chair

## Overview

Contempo Seating

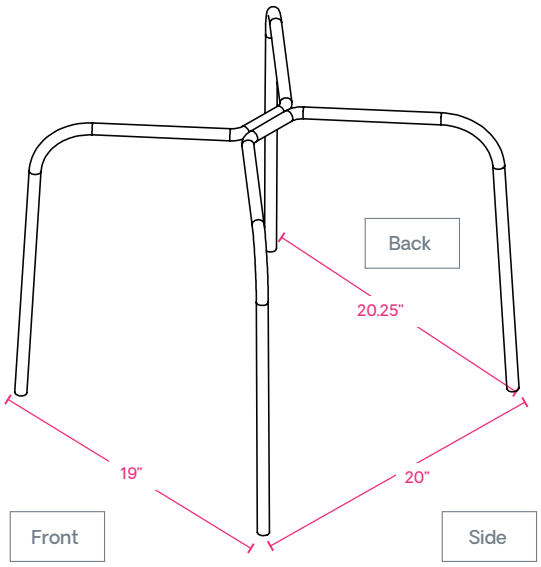
⚠ All parts list are for a single chair, additional parts will be needed for additional chairs.

## Parts List

| Code | Qty. | Description | |
|---|---|---|---|
| KFBCHR.B | 1 | High-back Seat | |
| | 1 | Leg Frame | |
| | 4 | Mounting Hardware | |
| | 16 | Screws | |

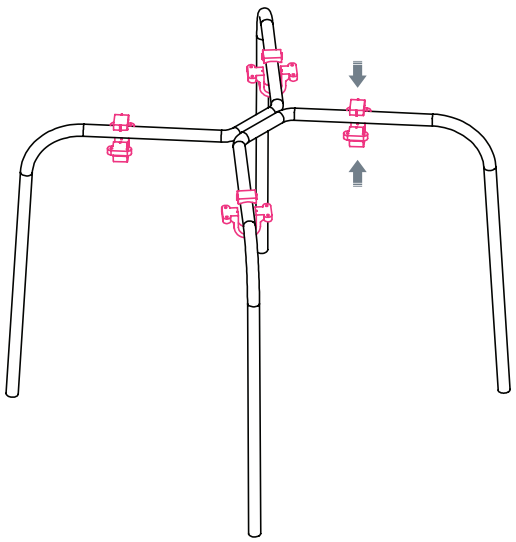
## 1 | Determine Front of Frame

Measure inside of leg widths to determine front of frame. Front will measure 19 inches from outside of legs.



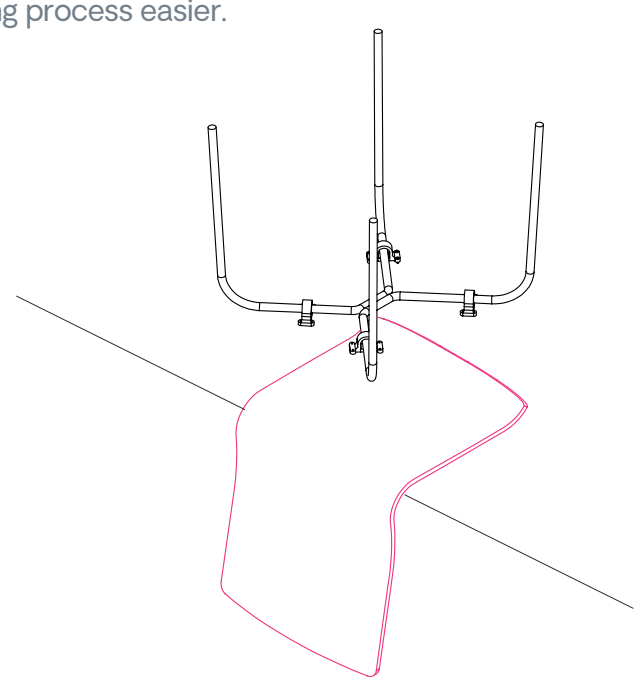
## 2 | Install Mounting Hardware

Bring two-piece mounting hardware closer to center of frame. Press mounting hardware together until pieces snap into place.

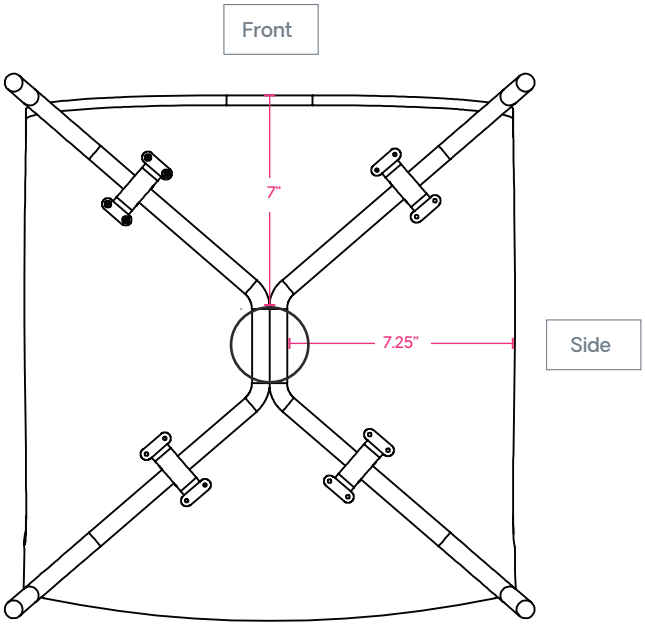


## 3 | Place Frame on Seat

We recommend placing seat on a flat, sturdy surface edge to make mounting process easier.



## 4 | Find Correct Frame Positioning



## 5 | Secure Frame to Seat with Screws
