The Snail

Gail the snail was very sad.

She felt like she was too plain.

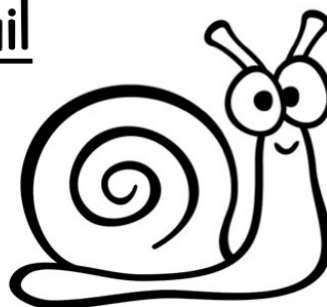

"I know how to fix this!" she

said in her brain. "I will stain my shell with paint!"

Gail did not want to wait. She got a pail and started

to paint. Oh no! It started to rain. The paint

washed off. Gail the snail was plain again! 😊 😊 😊

I Was Sick

"You are red as a brick," said mom. She felt my head and neck to see if I was hot. She put me in the bath to play with my duck. "Jack, the clock says 8 o'clock. It is time to rest," Mom said. I put on my PJs and my socks. She let me pick the pillow I wanted. I picked the black one. Then I was stuck in bed until I was not sick!
