LETTER STICKERS

for building blocks

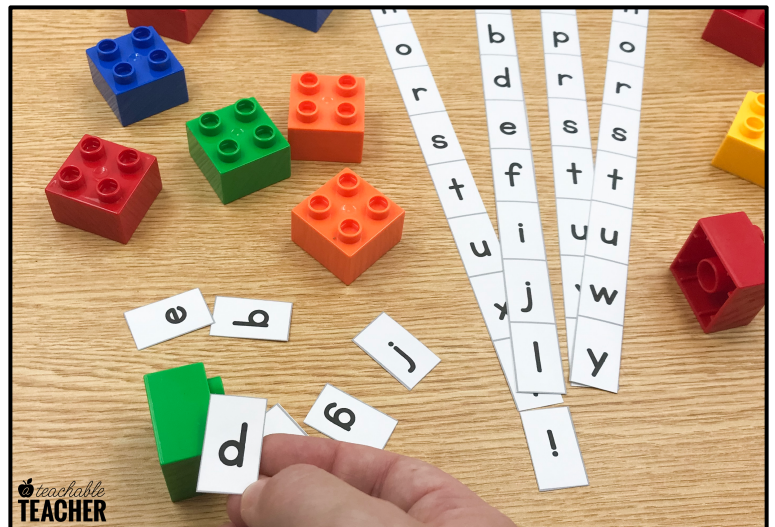

Step One

Print on sticker paper. I used Avery Printable Sticker Paper, Matte White, 8.5x11. Choosing “fit to page” or “shrink oversized pages” allows for a slight border around the letter, as pictured.

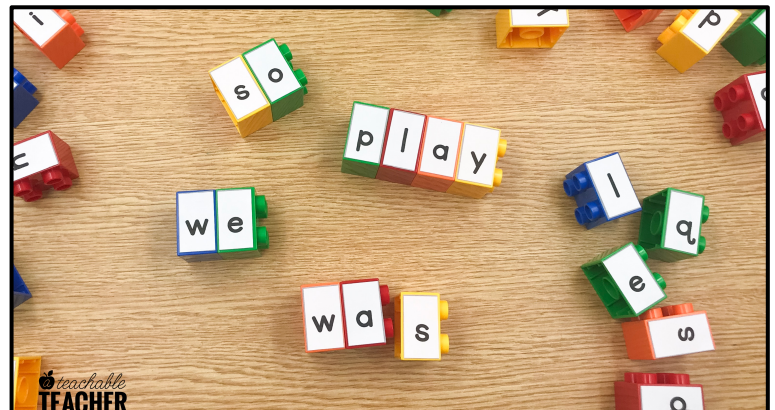

Step 2

Cut into strips with a paper cutter or paper trimmer.

Step 3

Using scissors, cut a letter off of the strip. Peel off backing. Place on the side of the building block. Make sure the “brick tops” are always the right. Repeat with all of the letters.

Step 4

Your students can now build their names, sight words, words with phonics skills, and more!

Editable letter page also included.
