TEACHERS ARE RAVING!

4,100+ 5-star reviews!

Great Resource

★★★★★ August 3, 2026

These phonemic awareness task cards are an incredible resource for reading instruction and intervention. The activities are well organized, easy to use, and provide systematic practice across a wide range of skills. A must-have for any teacher working to build strong early literacy foundations!

Great on the fly practice!

★★★★★ July 25, 2026

✓ Met expectations ✓ Great value ✓ Standards-aligned

I would use these with students when we finished our activity early, and it wasn't time to return to class. These were great for reinforcing skills that might students might have regressed on without constant spiraling back.

Great addition

★★★★★ March 9, 2026

This resource was a great addition to add to my toolkit! I can use them during transitions, breaks, or during small group time.
