I love these stories. It's great that my kiddos can read them, answer comprehension questions and I added in to locate all the...(whichever vowel combination) with a highlighter. Thank you!

Very very helpful activity and fun too! My 1st and 2nd graders each day work on one of these passages and I have seen how much they are improving on their reading. They are using them more than one time and it's been a great help. Even each of these stories are very nice and interesting for my group age.
