★★★★★ Extremely satisfied

The awards are cute and easily customizable! I used them for year-end recognition, but plan to use them as incentives throughout the year in the future.

Kids these days LOVE a good emoji! It's no surprise that my students LOVED these awards at the end of the school year! There was truly one that matched each of my students and I loved that I could edit them and create them if I wanted to! Super easy to edit and such a fun way to end the year with my students!
