I love that my struggling readers get to use their phonics skills to do real reading and show that they comprehend what they are reading. Thanks so much! If it is made by A Teachable Teacher, I know it will be a great product!

In the spring, I decorate cupcakes with my mom. First, we spread frosting on top. Next, we add sprinkles. When we are done, Mom looks at me and says, "Wow! You are a mess! Maybe I should spray you with a hose." I laugh and say, "I have a better idea. I can run through the sprinkler!"

I think I have every set of these and they are great to work on repetition of a focused reading pattern that we are trying to be successful with. I love that there are comprehension questions to go along with it, because it allows us to focus both on fluency and comprehension.

These are great! I use them one-on-one. My students struggle with decoding and reading fluently. They love that these are short and that they get to color a smiley face after reading!
