★★★★★ Very satisfied

This is a great resource. It is a great way for students to practice CVC words and tapping out the sounds. It can be done independently or in a center. It's already prepared, just make copies and it's ready! My students were actively engaged and liked these pages.

★★★★★ **Extremely satisfied**

My students loved this as they knew what was expected from each page and got quicker each time. I loved it as a teacher because it was a useful click and print and I could teach with it.
