⭐⭐⭐⭐⭐ **Extremely satisfied**

As an EAL teacher, I have been doing a lot of work on sentence structure and grammar in English and this was the perfect resource. My students were getting very bored of just writing and editing sentences in their copies or on the board, thus introducing cutting and sticking has really brought their engagement and focus back. Highly recommend!

⭐⭐⭐⭐⭐ **Extremely satisfied**

Great grammar packet for all those important skills my firsties need to learn - use for morning work, small group reinforcement, large group at times if skill is brand new, centers/rotation stations work, ready to grab & copy if a sub is needed at a moments notice, even homework at times - parents love easy to follow directions :)
