

Name Building Mats

perfectly sized for magnetic letters

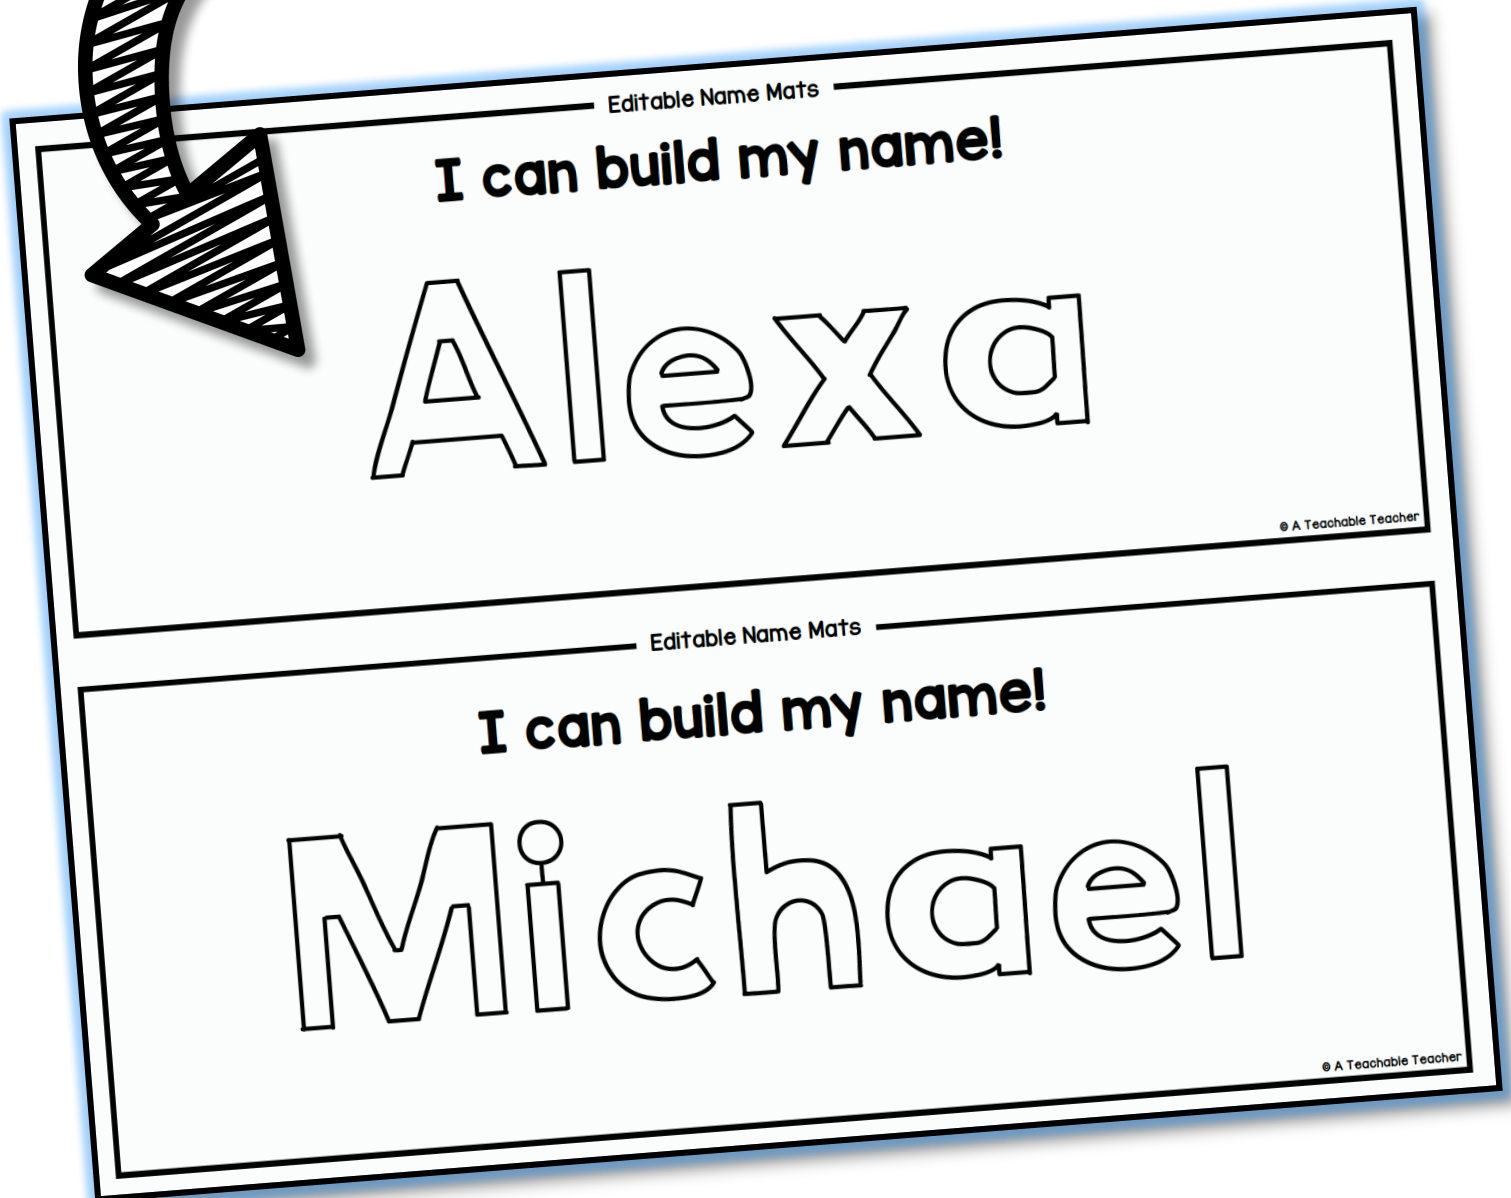

editable & auto-fills

Created by A Teachable Teacher

Name Building Mats

perfectly sized for magnetic letters

The name mats will
instantly auto-fill with your
students names

Name Building Mats

perfectly sized for magnetic letters

IMPORTANT NOTE

The letters on the name mats are the *perfect* size for magnetic letters. For this reason, these name mats have a **MAXIMUM of 9 letters per name.**

I have included an editable PowerPoint (no auto-fill) for students with long names. Please note that the magnets will likely be larger than the letters.
