PRINT PAGES 11-14

Preparation

- Print out the addition/subtraction pages OR the multiplication/division pages
- Copy on colored paper (as shown on each page)
 - *Remember there are 2 per page!
- Prepare the number set (ex. 2, 4, 6 or 5, 8, 40) or decide if you want your students to choose the numbers.

Directions

1. Cut out the turkey, title, and feathers.

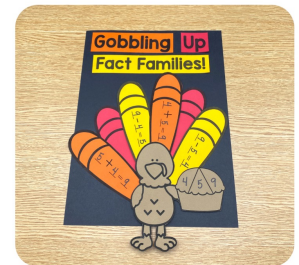

2. Have your students "do the math." I have my students write in pencil. After I check their facts, they write over it with a marker more of a
