TEACHERS ARE RAVING!

Hands on way to practice cvce words

★★★★★ October 6, 2025 Met expectations Great value

What a great way to end our kindergarten phonics unit with CVCe words. This hands on resource made teaching and practicing CVCe words a breeze. The students were engaged and matching the pictures to the words provided the scaffolding some students needed. Thank you!

I LOVE this resource! I've been working on cvcE word patterns with students in summer school. I love that this is hands on practice, and that there are a few additional pictures, so that students really have to think about the picture that matches the word. My summer school students have loved this resource.
