My students LOVE these activities! Having the words right on the page with them saves so much time. I use them for literacy centers, morning work, and/or homework depending on the week.

Frequently Asked Questions

Can you add more than 20 words?

Unfortunately, no. Adding more words makes the text extremely small and hard for learners to see/read.

What do I need for the autofill to work?

All you need is the Adobe Reader software (which is FREE!) on a desktop computer or laptop.

Do I need a certain font on my computer for this to work?

You do NOT need a certain font! All you need is this resource and the FREE Adobe Reader software!

I bought one of the individual packets, and now I want the bundle. Can I get a discount?

TpT does not allow sellers to process refunds. However, they will refund you if you buy both. After buying the bundle, email them and ask for the individual item to be refunded.
