Picking Pumpkins

Written by Lauren Shirk

On the ground,
On the vine,
Three little pumpkins
All in a line.

One was too big,
One was too tiny,
One was just right,
All orange and shiny.

★★★★★ Extremely satisfied

I loved this resource for both in class and at home work. The poems were all really cute. I loved that they went by season to change things up a bit as well. I also used the time to help build background knowledge on the concept in the poem. There is so much you could do to extend this poem - create a web diagram, KWL chart, etc.
