★★★★★ Extremely satisfied

This was great practice for my students to use with their paraprofessional to increase their decoding and fluency. It was easy to implement within their literacy center time.

★★★★★ Extremely satisfied

Great resource for my students that were falling behind. I used it in small groups as a quick warm-up. I also sent home for those students who needed the extra practice.

Frequently Asked Questions

Are the real word and nonsense words mixed together on one page?

They are separated so you can choose to focus on real word OR nonsense words.

Will you be adding more long vowel skills?

This bundle is currently complete.

Do you have a PDF online version of these materials for online teachers?

YES!! These drills have been preloaded into Google slides for you! You can print or use them digitally!

Is this available in a bundle?

Yes! Each skill is available for purchase in the bundle OR separately.
