The Snowman

Written by Lauren Shirk

Find some snow,
Pack it tight.
Roll it up,
Three balls of white.

Add eyes and mouth,
A carrot nice and fat,
And don't forget -
to add a hat!

★★★★★ Extremely satisfied

I absolutely love how many boxes these fun poems check off with my students. Reading with expression and the cadence of poem is such great fluency practice. Finding the rhyming words, drawing a quick picture to visualize the scene being set up with the words, answering comprehension questions and handwriting. For the third time reading, I have them "read to an audience" with me or a partner so they get practice presenting and speaking in front of a group. I also have an extra incentive for the kids who memorize the poem. Its a fantastic resource, I've purchased all of the seasons now and my students love them as well! Thank you for such a great resource!

Watermelon
Written by Lauren Stark

Watermelon, watermelon,
Makes me say "Yum!"
I love to taste you
When I chew my gum.

In the summer,
You are extra sweet!
You help me stay cool
In the crazy heat.
